

I just learned of the possibility that K-LOVE may no longer be heard in San Diego, California due to the new LPFM stations taking priority over current FM translator services. I am strongly opposed to this happening. My family only likes to listen to K-LOVE on the radio because it is family oriented, they have clean discussions and wholesome music. I know many people who rely on K-LOVE for their listening pleasure and it would hurt the community and especially my family if K-LOVE were to be displaced by an LPFM broadcaster providing other programming. K-LOVE encourages people, helps people, plays wholesome music and I don't have to worry about what someone on the radio might say that I would have to explain to my child. PLEASE! Don't take K-LOVE away from San Diego! I'm afraid my family and I won't be able to listen to ANY radio stations if you take it away. So often, I'm embarrassed at what people talk about on the radio and I have to cover their ears. It's offensive to me and my family. I know the K-LOVE family cares and has only the public's interest at heart. We need them. THANK YOU!
